What Is Tourism Vernon's Co-Op Marketing Program?

Tourism Vernon's Cooperative (Co-op) Marketing Program is an application-based program that provides marketing and promotional support to eligible tourism businesses and organizations in Greater Vernon. The program offers matching funds (up to 50%) for your marketing campaign.

Tourism Vernon's Co-op Marketing Program strives to offer much needed promotional support to Greater Vernon's tourism sector, and encourage collaborative efforts that promote and stimulate Greater Vernon's local economy. To maximize funding and impact, marketing partnerships with Vernon hotels and collaborative marketing campaigns with other local, tourism stakeholders are strongly encouraged.

About The 2022 Program

Tourism Vernon recognizes the continued, evolving circumstances that the tourism industry is facing due to COVID-19 and the resulting travel advisories. The local tourism industry has been affected and some segments are experiencing significant losses. The Co-op Marketing Program aims to support and promote Vernon's local tourism sector.

While some recreational travel is returning to pre-pandemic levels, long-haul and overseas markets will be last to recover. With the goal of safe and responsible travel amidst the COVID-19 pandemic, Tourism Vernon's Cooperative Marketing Program will focus on markets in accordance with the Provincial Health Officer's travel guidelines.

2022 Cooperative Funding Program

Tourism Vernon has allocated **up to \$100,000** (\$50,000 per intake period) towards the 2022 Co-op Marketing Program. Funds will be allocated on a matching basis, up to 50% for cash contributions (including tax) and up to 25% for in-kind contributions. In order to ensure as many businesses can utilize the program as possible, the maximum allocation per business will be **\$10,000**. Tourism Businesses located within Greater Vernon are eligible to apply. All applications will be adjudicated by a subcommittee of the Vernon Tourism Commission. While the subcommittee will take all applications into consideration under the appropriate judging criteria, an application to the program does not guarantee funding.

Funding will be provided upon completion of the marketing project (within the calendar year). Receipts, copies of advertisements and projects along with a final report are required prior to reimbursement. **Funds will be reimbursed only after campaign or event completion.**
