HAPPY TRAILS

Around here, there's a trail for everyone

Okanagan Rail Trail – Ride along 32 miles of flat gravel pathway from Vernon to Kelowna that was once the CN rail line constructed in 1925. Today the trail is an accessible and scenic trail for all ages and stages to enjoy. Coming soon the Shuswap North Okanagan Rail Trail from Armstrong to Sicamous.

Kalamalka Lake Paddle Trail – Explore 14 miles of pristine shoreline in a calm, boat-free paddle zone. Kalamalka Lake is known as the “lake of many colours”. It is a rare Marl lake that changes colours throughout the warm summer due to the marl formed when dissolved calcium carbonate in the lake crystalizes.

Hiking & Mountain Biking – Follow the former Grey Canal irrigation system on 30+ miles of trail along the hillsides or explore the endless singletrack for beginners to expert riders.

Winter Trails – Glide through the snow-covered forests on 65+ miles of daily groomed cross-country ski trails connecting Sovereign Lake Nordic Centre and SilverStar Mountain Resort. Take in the scenic lake views around Greater Vernon by snowshoe during the winter months.
